FEBRUARY 21, 2014 MEMO RE: VISITOR PARKING PASSES

Many owners have expressed difficulty in obtaining a Visitor Parking Pass (VPP) from DDOT. As members of ANC6D – SMD2, all of Capitol Park IV C.A. should qualify to receive the VPP.

After making several calls, DDOT informed the Board that it is in the process of implementing a new system, and abandoning the old "automatic mailing" system because of database accuracy problems like the ones we've experienced. The new system is set to be implemented over the summer, and no more automatic mailings will occur in the future. With the new system in place, after the September 30, 2014 expiration for the current VPPs, those desiring a VPP will need to re-apply.

How Do I Get a VPP Now?

1. If you DO NOT have a VPP, and have not yet registered for one, please register at: <https://vpp.ddot.dc.gov/vpp/>.
2. If you have already registered for a VPP and received a confirmation number, but have not yet received your pass, please remain patient – DDOT estimates it take about 3-4 weeks to receive the pass. You may also check the status by going to the registration cite in #1 above and entering your confirmation number.
3. If upon registering, you receive a message that states your address was not found, you will need to call DDOT at (202) 673-6813 to verify your address and eligibility (press -0- to bypass the pre-recording). Time and Patience are advised for this step.
4. DDOT will process those requests that are deemed "eligible", and it will take about a month to receive after registering. **ALL VISITOR PARKING PASSES ARE SET TO EXPIRE SEPTEMBER 30, 2014.**

Additional information may be found on the below DDOT blogsite. The Board will also post link on the CPIV website: <http://ddotdish.com/2014/01/02/ddot-issues-more-than-100k-visitor-parking-passes/>
